

LINE MARKING SUPPLIES

Marking Chalk

ALL PRO PLUS Athletic Field Marking Chalk

The Whitest Compound Available!

Stands out on crushed limestone. Made from the highest quality calcium carbonate (marble dust). Conforms to all safe-use requirements of the consumer safety act, NCAA & NFSA official rules and all known Little League rules for athletic marking materials.

Packaged in 50 lb. bags

(1) 50 lb. bag of chalk will stripe approximately 300' of a 3" wide and 1/16" thick line.

- Specially formulated blend of crushed white calcium carbonate
- Ideal for use as a line marker for any outside sports activities where lines must be visible to players, spectators and officials
- Non-irritating to eyes & skin. Will not harm soil or vegetation

MARKSMART ATHLETIC FIELD LINING SYSTEM

The smart way to mark your fields. Maintain exact field dimensions, save valuable time and eliminate repeated measuring and staking of your fields with this unique lining system. Simply locate your starting point, insert ground sockets flush to the ground, measure your remaining line intersections and locations and you are ready to line your field! Insert lining pegs into ground sockets, attach string and paint away! Lining pegs are removable for safety.

A time saving tool for the grounds crews - great for schools, park districts and clubs.
