FUEL THE REBELS 2015-2016

What is it?

Ag View FS invites you to **Fuel the Rebels**. This program is a unique fundraising opportunity the entire community can participate in. Unlike many fundraisers that ask individuals to pay for overpriced merchandise, all that is needed in the **Fuel the Rebels** program is purchases of gas or diesel fuel with a FAST STOP® card from the FS FUEL 24 located on Highway 17 on the east edge of Toulon. The objective of the program is to raise money through the **Fuel the Rebels** program to help offset funding gaps left by the state, allow members of the school district to support the district simply by purchasing from a local merchant, and involve local businesses/fleets to support the school district by purchasing fuel from the local FAST STOP.

How can you sign up?

Many of you already have a FAST STOP card, so all you have to do is designate on the cardholder form included in your packet that you want to participate in the **Fuel the Rebels** program.

If you want to participate, but do not have a FAST STOP card, simply fill out the enclosed application and wait to receive your card in the mail.

Ways to return your Cardholder Information form:

- Mail to AgView FS 22069 US HWY 34, Princeton, IL 61356
- Fax to AgView FS 815-879-3971
- Email the form to rbontz@agviewfs.com

How will you benefit?

Three times a year, Ag View FS will calculate all the gallons purchased under the **Fuel the Rebels** program and present a check for one cent per gallon to the Stark County School District. Different from other credit cards, the FAST STOP card is strictly meant to be a convenient way to purchase fuel and pay off the balance each month. Paying off the balance each month avoids finance charges like other companies charge and saves you money in the long run.

Visit one of our other FAST STOP locations!

Will you be following a loved one in sports or other extra-curricular activities? Many counties in Illinois have a FAST STOP or FUEL 24. No matter where you fill up, Stark County Schools will still reap the benefits! For specific information on a location, feel free to visit www.efaststop.com
