PUT SAFETY FIRST ON YOUR FARM!

Attention: Farmers

Agriculture is clearly one of the most dangerous occupations in the nation. Everyone who works on a farm could use a refresher course on the hazards of farm machinery.

The Livingston and McLean County Farm Bureaus® and Prairie Central Co-Op are teaming up for their first "Put Safety First on Your Farm" complimentary breakfast. It will be held on Wednesday, February 8, 2012 at 7:30 a.m. with a hearty hot breakfast at the Lexington Community Center, 207 W. Main Street, Lexington.

The program will begin promptly at 8:00 a.m. and conclude by 9:30 am.

John Lee, Illinois Feed and Grain Association Safety Specialist, will give an overview of the dangers associated with farming. A representative from Illinois State Police District 6 will discuss laws pertaining to use of farm equipment on roadways.

Door Prizes will include flashing lights for farm equipment, fire extinguishers, SMV emblems, and much more.

Funding also provided through a farm safety grant from Illinois Farm Bureau® and COUNTRY® Financial.
