

## OTTAWA FFA ALUMNI BOOSTERS

### 1<sup>ST</sup> ANNUAL GRAIN DRIVE

This fall when you're combining, think of the Ottawa Township High School Agriculture Education and FFA. A donation of a few, or a lot, of bushels this fall will help the OHS Agriculture program thrive and grow.

Our program is fortunate enough to have Sarah Timmons as the Ottawa FFA advisor. The local ag community needs to demonstrate that we will be here to support Miss Timmons, Agriculture Education, and the FFA now and for years to come.

Supporting companies will accept donations of grain at the following locations:

Northern Partners Cooperative: All elevators

Grainco FS: Grand Ridge, Mazon, Ransom elevators

Farmers Grain, Inc: Grand Ridge elevator

Thanks to these companies, and thank you for helping with this worthwhile project.

**If you have any questions or if you would like information on how to get involved with the Ottawa FFA Alumni Boosters, please contact Steve Wilson (815) 791-1325**
