

**ON-LINE BILL PAY**

Frenchman Valley Cooperative is pleased to announce that we have added Online Bill Pay to our website.

In order to use the Online Bill Pay option when it becomes available, you need to have a Patron Access Account. You can sign up for Patron Access by clicking on the Patron Access Link to the left or by filling out this form.

If you already have a Patron Access Account, you can skip to the bottom portion of this form and fill in your bank information. FVC will need your bank name, bank account number and bank routing number to set your account up for online bill pay.
